Dear Pastor & Church:

**God answers prayer!** Many years ago we began praying for Helen Han's mother – a staunch follower of a Japanese sect called Nichiren Buddhism who devoted two hours a day doing her ritual chants – to be saved. Every time she was presented with the claims of Christ, she would reject it for two reasons: (1) faithfully chanting to her god had brought her good health and long life; and (2) she would be cursed by her god if she embraced Christianity.

Just a couple of weeks ago, we received word from Brother Han that, while on her death bed, his mother-in-law said that she wanted to receive Christ! When she was questioned about why she had such a change of heart, she gave four reasons:

1. Due to her sickness, she could not "chant" – she felt powerless and hopeless.
2. None of her sect members came to visit her – she felt her religion had deserted her.
3. She knew her days were numbered – she did not want to die without hope.
4. She remembered what she had heard before – only Jesus could take her to Heaven.

So she prayed to the true and living God – asked Him to forgive her sins – and, like a brand snatched from the fire, she accepted Jesus Christ as her personal Savior. A short time later she slipped from this life and entered the presence of the Saviour that she had only recently come to know.

Thank you for your investment of \$150.00 in our ministry during the months of March and April. It is our desire that we might see our Heavenly Father glorified as many more brands snatched from the burning!

We shall remain ...

Yours for lost souls,

*Ray & Ginger*
