Dear Brother Grieme:

Please forgive me for my tardiness in getting this letter to you – after six months in the US for a time of furlough, we returned on July 24th to Singapore. Even though we arrived a few minutes before midnight, there was a group of people at the airport to welcome us home.

Of course, after being away, there was much catching up to do as well as many things that needed to be done. Since our return, our Bible school has started a new semester that is meeting two nights a week; Ginger and I are meeting one night a week with a young couple who plans to be married next year; I have preached a funeral for a relative of one of our church members; I have made a trip to a "10/40 Window" nation to preach; and am now preparing for the 31st anniversary service of our church (September 23rd). Certainly it has been a busy two months – but we are thrilled at the doors of opportunity that God has already given us to represent the Lord Jesus in this land of spiritual darkness.

Ginger and I certainly want you to know that we appreciate so very much your investment of \$150.00 in our ministry during the months of July and August. It is our sincere desire that the return on your investment will be a great harvest of souls for our Saviour.

We shall remain ...

Yours for lost souls,

Ray & Ginger
