Dear friends,

We are happy to be able to pursue our ministry in France, in spite of my health situation. The Lord is good – I recently had a scan and lab tests done, and my French oncologist confirmed that the mesothelioma has not progressed! No more chemotherapy has been scheduled at this time. We greatly appreciate your concern and prayers – please pray also for my energy level.

Since our last letter we have seen two more souls accept Jesus Christ as their Savior! – **Lana**, 10-year-old great-granddaughter of one of the first families in the Champigny church, is a fourth generation fruit of the ministry here! Ten-year-old **Warren** is a third generation fruit. I baptized them both in April. We are encouraged by these two children and the realization that this ministry is having a long-term effect in this area. Please pray with us that they will remain faithful, and grow strong in the Lord, and that this church will grow in its influence and be effective in sharing the Gospel, leading others to Christ, and helping them to grow spiritually.

On June 7th, Alexis and I celebrated our 55th wedding anniversary, eating out in the oldest continuous restaurant in France (est. in 1270), served by Chef Hervé, who attended our Good News Club in the '70's, where he accepted Christ as his personal Savior! Also making the occasion special was the presence of our youngest child, David, and his wife Blair, on their way through France from a six-month ministry in South Asia. The Lord has truly blessed us in many ways!

In July and August we will be in the south, offering a summer camp for families. Please pray that we will be able to minister effectively to Christians, and that we might be able to reach out to some of the locals in that area.

Continue to pray also for a godly pastoral couple to replace us in this ministry.

Thank you for your continuing love and support! May the Lord bless you richly!

Yours in Christ
