Dear friends,

We returned to France in January. Our visit to MD Anderson Cancer Center was positive -- the mesothelioma has not progressed! We have been invited to come back toward the end of the year. Meanwhile, I will be checked by my French oncologist in France. Back in France, we soon had the joy of leading four more souls to Jesus Christ! – **Fatima**, a young mother, victim of marital abuse in her past, **Hugues**, a young man who attended our services off and on for months before yielding to Christ, **Régine**, a young lady encouraged to come to church by one of our faithful ladies, and **Anne-Laure**, 10-year-old daughter of one of our church families. I baptized all four of them in March. Pray with us that they will remain faithful, and grow strong in the Lord.

We are already thinking about our summer camp for families now. Please pray for this means of ministering to Christians, encouraging them to live to please the Lord in the midst of an increasingly antagonistic society.

Continue to pray also for a godly pastor to replace me in this ministry. We have now been in France for 47 years, having been approved as BBFI missionaries to France 48 years ago. Time flies....

Thank you for your continuing love and support! May the Lord bless you richly!

Yours in Christ,

*Paul and Alexis*
