Dear Pastors and Friends of Greek Missions,

We celebrated the Resurrection of our Lord yesterday, on Easter Sunday. But in Greece, Easter will be this coming Sunday. I am sure you know that the Sinda's and Dimakos' are working hard at winning the Greek Orthodox people to Christ and the ministry to the Farsi and Persians is growing tremendously.

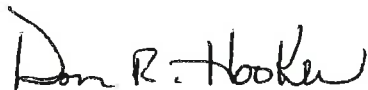

The ministry at Voice of Truth and The Athens Bible Baptist Church is overflowing each service. The result is that they need to expand their facilities. Bro George and Bro James have been able to purchase the property next to the Voice of Truth. The building on the property is in such disrepair that it will have to be demolished and a new structure built as quickly as possible to accommodate all who come to the Mission. Many times they have had to turn people away as the rooms are full to capacity.

As the Missions Representative for Greece, I am asking you to consider sending an offering to the Missions Office to help with "The Mars Hill Project". The amount of money needed (before the exchange rate to the Euro) is \$80,000. But the longer they have to wait to finish this purchase and materials, the higher the cost will go (due to the exchange rate). Will you please help facilitate this ministry's need by sending in a special offering immediately?

If I can answer any questions for you, please do not hesitate to call me at the numbers listed.

May God bless you as you continue to spread the Gospel of Christ to your community and to the regions beyond.

Sincerely,

Pastor Don R. Hooker
