Dear prayer Warrior!

March 26, 2018

We want to praise the LORD for HIS goodness to all of us. HE truly takes care of us daily. We also want to THANK YOU for all your continued prayers, without which humanly speaking we would not make it. Here are some of the blessings we enjoyed this past month.

Every Saturday when we are out on the streets we always have some interesting and sometimes sad situations. We have people from everywhere. A little Romanian beggar comes by, she is collecting money. She is always surprised when I speak to her in her language. As you perhaps remember I was born in a German settlement (called Siebenbürgen) in Rumania. We were taken out as I was 3 ½ years old. We were resettled in Austria. At the age of 15 my father with us 7 kids immigrated to Ohio. I praise the Lord because in Toledo Ohio, I heard the GOOD NEWS THAT JESUS saves. There in 1963 I asked Christ Jesus to save me. The Rumanian lady was almost shocked as I gave her a chick tract in her language. Yes they all need salvation.

Saturday I had a lengthy discussion with a man from the Ukraine. He told me flat out, we came from nothing, we are nothing and there is nothing in the future. I prayed while talking to him, Lord how can I get the good news about Jesus to him? I found out he is a journalist. He spoke very good German. I asked him what do you write? He said novels. I asked him, do you have a plot in your stories. Of course otherwise no one would buy my books. I made a suggestion to him, if you have a plot in your story... if God put us on this earth, do you think God had a plot or a reason behind all that? ... He thought a little bit than said... I would assume so... if one believes in God. I had the privilege to tell him my story! At the end I showed him John 14:6 where in the Bible, Gods Holy word said "Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me." He listened, I also asked him, since you write books, what is the **best seller?** He knew the answer, of course the Bible. I told the man the importance, of believing what God said in the Bible. I said Wolfgang (his name) none of us can live here in Munich forever. Just than young man stopped and asked, where is the train station? Everyone has a goal and goes somewhere! To be in Heaven one has to plan.

Thank you for your prayer and money support. Please continue to pray for these for salvation: Marg. D., Loesch family (5 members), Gerhard F., to get saved. For health problems for Peter L., Nelly M. and Dieter V. Jerry Joe went to heaven, he died from cancer. I had the privilege some years ago to lead Jerry to the Lord Jesus Christ; also baptized him (well - fruit for your account). Well as we get older, petty soon we have more folks in Heaven... till than however we'll get the good news out, preach, witness and visit, so that more can hear - JESUS STILL SAVES:

Sincerely your missionaries
