

Ted & Tonie Farris to the Native Americans

Dear Family In Christ,

Sept/Oct 2018

We are thankful for the precious rain we received in weeks past. Having it extremely dry 2/3's of the year; these rains have been welcoming. Now, we are looking forward to the winter months; trusting the snows will come.

Our number has grown this semester to 18 in our Faith Bible Institute. We have two sisters taking the class who have been out of school for thirty some years. We are also excited about Nikki, who is still in high school. She will be our first student to graduate from 3 years of Bible College the same time she graduates from high school. Also Matthew just graduated from high school in May. He is now taking the Faith Bible Institute. This young man is on fire for God. God has called him to preach and he is serving with his grandfather, Pastor George Jim in Crownpoint, NM.

This past Sunday one of our Navajo young ladies Velissa told me that she led her youngest daughter, Shiloh to the Lord. They had bought some Chick tracts for Halloween and planned to pass them out on Halloween night. They were reading the tract together and God convicted her daughter of her sin and her need of the Savior. I asked her where she was going when she died; she replied, "to heaven." I asked her why and she said "because I ask Jesus to forgive me of my sin and save me." "Out of the mouths of babes" faith is heard.

Sylvia called and asked my wife if she would hold a Bible study with her. This lady is not even saved yet. Her mother started walking to church because her daughter didn't want to take the time to take her, but she did. Mom is a determined believer.
