Nov/Dec 2018

We wish for each of you a very Merry Christmas and a joyful New Year. This next year could be the Coming of our Lord for us. We live and serve with the expectation of His Coming.

Matthew 24: 32-44 "ready" and "watching"

We were so touched by a young Navajo lady who was saved as a young person in our church several years back. **Melissa Smith received her degree from Liberty University, furthered her education and is now a P.A working at the Duke Hospital in NC. After her salvation it was her desire to become a medical missionary. She shared her heart for missions in our services Wednesday night. The past four years she has been on six medical mission trips to Kenya and Haiti. Her Powerpoint presentation was so spiritually moving. We stand in awe how God has used this young lady. There are no limits with God in the lives of our Navajo people. Please keep praying, God is working!! In His Time!!**

Special Prayers:

- **Sylvia for salvation**
- **Clarissa West Coast Bible College**
- **FBI Class Jan 21st**
- **2 brothers in their 20's were saved**
- **Taylon 6 yrs old got saved**

Please continue to pray for Sylvia for salvation. She is receptive to the Word. Tonie is praying for a clear sign from the Holy Spirit when to draw in the net.

Clarissa is an outgoing Navajo young lady attending West Coast Baptist College. She also was saved in our church and believes God is calling her into missions. She struggles with finances and is doing spot jobs during the holidays. Pray God will intervene and give her direction for her life.

Our children's program is going well. It has grown to a high of 41. The kids are coming mainly for the games; but we know that the Word of God can and will penetrate their hearts to the Gospel during Bible time.

Ministering with the Navajo people has its challenges. The results seem to be too slow for us, but we leave the results to the Lord. He asks of us to remain faithful in serving. It is a privilege to serve our Lord and Savior Jesus Christ in the place God has called us.

May God give you a place to serve Him. Take the opportunities given you to grab the baton and run with it. See you next year if the Lord wills. Again Merry Christmas !! Ted & Tonie Farris
