Our men have been faithful filling the pulpit during our absence. Our attendance stayed up. What a blessing!

Everyone in their place of service; from cleaning, to teaching and driving the vans.

28 Ladies for Mother's Day

We took the opportunity to slip in for a quick visit with Ted's family. We have ask prayer for Ted's sister Teeny in our last letter. She was taken to the hospital after we got back. She is running a temp of 102 some pneumonia, a UTI, and a sore that will not heal. (diabetic) Pray for healing. She is still unable to converse with anyone since her stoke in Dec. As of Monday (21st) she has low pressure and monitoring A Fib. Please continue to pray for healing. We also were able to see our grandson graduate High School in Springfield MO.

Talaya and her daughter Nikki have been coming for sometime now. They are a delight. They have become more involved in the church. She asks prayer for her unsaved husband. Our church welcomed us home with a nice meal and beautiful cake !!!
