

Navajo News

July/August 2018

We enjoyed having Bill & Karen Salisbury from Va. come and hold a Children's Crusade. They have a unique ministry with flannelgraph, music, magic and puppets. They held a training session for our teachers.

It was a real blessing to have them come !!

Thanks Heritage Baptist Church for coming to hold a VBS for us. We had 3 VBS's going on everyday. Parents would be so proud of these young people, They had such a great spirit, They worked hard and were very cooperative. Just a Godly group of young people. We want thank the adults for their sacrifice and time to come with this great group of young people, About 30 young people trusted Christ for which we are grateful. We have followed up with most of them and about 15 to 20 are still coming to church on Sunday and Wednesday evenings. Hopefully when school settles in a little; we will see more returning. Bro. Ken spoke Sunday morning in our services and of course he had a challenging message for each of us. Ted and I know it was a great sacrifice of time and money to make the long trip to the Navajo people for which we are THANKFUL. Praise to the Lord for what has been accomplished !! Our apologies, we could not fit all the pictures we had hoped to.
