

Tim and Missy Helton

reaching southeast alaska

It's Official...

We presented our field change to Southeast Alaska at the national BBFI meeting in Fort Worth, Texas on February 20! We began our trip to Bellingham, Washington for the first available ferry ride to Wrangell on March 2. It was a long but beautiful trip! We loaded our truck on the ferry---using just about every available inch inside! A great friend and carpenter in Kentucky, David Toews, constructed a wooden topper for the truck. He did a super job! Our belongings were safe and dry even after days of pouring rain in Texas and high winds and snow during some of the remaining trip. We arrived in port on the afternoon of March 4. We had folks waiting on us to help unload the truck, bless us with groceries, and warmly welcome us!

Getting to Work...

We have started working in the church—Tim is preaching and teaching while Missy is teaching the ladies class. She has also been training and serving two days a week at Hannah's Place, the local pregnancy center. She has seen many of the harsh realities of the lack of the family unit here in this culture. What an opportunity to impact this community with Christ's love!

Easter Blessings...

Tim designed some Easter invite cards and encouraged the people to really work on filling the church for our Easter celebration and breakfast. We had an amazing Sunday! **In the 66 people who attended, there were numerous folks who had never attended a church.** We invited our Hispanic neighbors and they attended after the first invite. Three clients from the pregnancy center also came. We left so excited over God blessing us with such a wonderful day and the opportunity to plant the seed of the Good News!

Lots of Work to Do...

We are happy and excited to be here! **We are thankful you are partnering with us in the new direction God has asked us to go.** There is much to do in this part of the world—the alcoholism, broken homes, drug abuse, and lack of Truth has truly made the field white for harvest.

Partners for His Purpose,
Tim and Missy Helton

Welcome to Wrangell
