## Missionaries to Tanzania

### Timothy Club

Our main ministry as missionaries is Biblical discipleship. One of the ways at EBC that we "raise" leaders is through the Timothy club. Brad meets with 5 men twice a month for accountability, prayer and teaching. Each week they serve together practically through the various ministries of EBC. As a result 3, of these men have surrendered to the Lord for full-time ministry. Recently, Geoffrey Migwano has begun giving an entire day of the week to serve the Lord.

### S.A.L.T Conference

For the past 4 years we have helped our ministry partners plan and host a week long refreshment conference for over 20 missionary families in Tanzania. Each year we try to raise additional funds to subsidize this event so many more can come. **If you would be interested in investing in this much needed ministry, please send your contribution to the below address marked as "SALT".**

### Endasak Baptist Church Update

We are so thankful for a great year in 2018! Overall, God granted us 20 souls that trusted Christ as Savior and 10 that followed Him in baptism. We revamped the Sunday School ministry, built a new building, saw 5 students graduate from the first class of Bible Institute and 4 new students join. We also are very thankful for the spiritual growth of the EBC members who are continuing to serve faithfully. We thank the Lord for building His church as the average attendance grew from 25 to 50.

We have had a great start to 2019 as well. On Feb. 3, we had "Return to Church Sunday" with 94 in total attendance and 3 trusting Christ as Savior. (pictured above)

We ask that you pray for EBC as we continue to work toward independence. We have begun a 3 month teaching on the local church with open discussion each Thursday evening to help reinforce and review what we learned on Sunday. **Lord willing EBC will adopt its constitution and receive members on Sunday, April 28th.**

We are constantly amazed in how God chooses to use us in Tanzania despite our shortcomings. As a missionary, there are cultural and practical disadvantages to pastoring in a foreign country. The greatest need for the EBC family is a national pastor who can lead this body of believers. **Please join us in prayer and fasting at lunch on Wednesdays for a national pastor for EBC and for us as we continue to minister by God's grace.**
