Missionaries to Tanzania

MARCH/APRIL

PRAYER UPDATE

2018

Left to Right: EBC Foundation, Sunday School seminar, Tricia, Claudia and their new sister in Christ, Amina.

Suffer little children, and forbid them not, to come unto me: for of such is the kingdom of heaven. Matthew 19:14

Building Project

As mentioned in our previous update, God has provided the funds needed to build a new sanctuary and office building for the Endasak Baptist Church. The construction has officially begun and the foundation is nearly completed. The EBC members have been doing a great job at giving their time and strength to this project. Each day, there are at least three church members at the property carrying buckets of sand and rocks!

Sunday School Seminar

God has blessed us with 15-20 children who attend our Sunday School ministry each week. By His

grace we have six teachers and five helpers who rotate on a regular basis. Since starting this ministry, we have been praying how to make this time more effective. In March, EBC hosted a three day Sunday School seminar taught by a Tanzanian woman who has taken this on as her ministry. We were taught the philosophy of teaching children and received new curriculum and teaching techniques. ***Please pray that this new format will be used to see many boys and girls trust Jesus as their Savior.***

Sunday School Fruit

Amina has been attending Sunday School for three years. Her mother has been in and out of

prison ever since Amina was born and she does not know her father. She was quite unruly due to her home situation. One Sunday Tricia chased her down the road because she stole a ball. Since then, she has been taken in by Claudia (Mama Jackson) and we have seen a huge change in Amina's life. After the Good Friday service, Amina approached Tricia and said she would like to trust Jesus as her Savior! Using the verses she has memorized in Sunday School, Amina placed her faith in Jesus Christ alone!
