Dear Pastor, Friends, and Family,

Tricia and I would like to thank you for your faithful partnership with us. God has used you in a GREAT way to allow us to preach the Gospel and see much spiritual fruit here in Tanzania. We would ask you to pray with us for the following three items which will take place over the next few months:

1. Neighborhood to Neighborhood ministry: This is an evangelistic campaign in which we are targeting 4 neighborhoods around EBC. Each month we are praying for a specific neighborhood and visiting 10-12 homes with the purpose of building relationships, showing and sharing the Gospel. We are asking the Lord for 20 people to be saved, 5 new families to join church and more people to be involved in ministry.
2. This month we are once again beginning the process for our Work and Immigration permits. For Brad, this is always a consuming process that takes over 3 months and much attention and emotional energy away from the ministry. Please pray for peace of heart and mind and that we can be processed in due time and if "extra" things do come up that they will be handled with faith, wisdom and a good testimony.
3. EBC is working through some pretty serious accusations that have been brought against the Tanzanian leadership. These accusations are affecting this young church full of new believers. However, through times like these, we know God is able to strengthen the local church. Please pray with us that we can discern and move ahead according the Word and Will of God in this situation. Also, for humility and restoration for all involved.

Thank you in advance for taking time to pray about these things with us.

In Christ,

Brad, Tricia, Rachel and Josph Henderson
