2018 Year In Review

We have seen God do some amazing things this year! We wanted to stop and take a look back to remember what God has done and we also wanted to say **THANK YOU** for your support and prayers! Without your faithful support and prayers for us and our ministry none of this could have happened!

Finalized the purchase for the last piece of property giving us a total of 1 acre.

Feeding Center began in the School

Bible Studies started in the Community

Blessed with an amazing church planting team of Filipinos

➤ Please pray with us for the Christmas parties coming in December for the Bible studies, feeding center kids as well as the community volunteer cooks for the feeding center. This is a great time for the gospel to be heard!

➤ Please pray that God would provide a van, as we are transporting a minium of 8 people every weekend in our 5-passenger car.
