Exciting to see how God is working here in the Philippines

We were already so excited with the open doors of opportunities that have already happened - like the feeding center starting in June and the available additional property for sale that is at a reasonable price. Lately, God keeps showing up, in more amazing ways, by leading us to key community leaders and giving us favor with them.

More Doors of Open Opportunity

Through the process of purchasing land we have established a relationship with Alex and Nancy, the property owners. They live in the area and own a lot of land in this area. After having attended almost all religions and cults, they are actively searching for "the right church". Please pray with us for their salvation.

Another relationship that is growing is with the school principal. He is very excited for us to invest in his school and has been so very accomodating. We have the awesome opportunity to start English enhancement classes with his teachers and even more exciting is that we are using the Bible and Bible based curriculum to teach these teachers. The principal has decided that he is going to make our English classes mandatory for his teachers to attend. Wow! The Gospel is going to be shared with so many teachers.

Prayer Requests:

- April 24th - An important feeding center training meeting and community outreach opportunity.
- Pray for open hearts of the teachers of the English classes, for their salvation and that Bible Studies would be established through these classes - with the goal of starting a church.
- Paperwork process of buying this property to go smoothly.

NEW PROPERTY WE ARE IN THE PROCESS OF BUYING. IT ALREADY HAS SEWAGE TANKS, A WELL CONSTRUCTED SECURITY WALL, AND A FEW SHEDS

Thank you so much for your prayers and financial giving!
