***Please label every Item with your child's name.**

We use communal supplies in our classrooms. This means that your child will use a combination of the school's materials, things the teacher has purchased, and supplies that your child and other students have brought in. This ensures that everyone has the necessary items and no one is left out. It also saves parents money, reduces competition among students to have the newest and best school supplies, and teaches children to share and be responsible with community resources.

If your child withdraws from the school for any reason, the supplies will **not** be returned to you. Personal items may be returned when possible at the discretion of the administration.
