

The Keefe Connection

Lifting Christ Up Down Under

September/October 2018

Following the Lord

September 9th was another wonderful day in our church history. Thirteen people followed the Lord in believer's baptism. Please pray for these people as they continue to grow in their relationship with the Lord. Next month we have another baptism service scheduled.

Making an Impact in our Community

The mission of our church is to connect, grow and serve. In order to help achieve this, our ministry team started a new yearly outreach to connect with our wider community. On the 6th of October, seventy-five people from our church came out for Impact Bunbury. Teams of two or more and even entire families letter-boxed over 2500 homes. In Australia we can letter-box, which is placing a letter or in our case, an invitation to visit our church, in a mailbox (letterbox). The teams assembled together after going out into the community and enjoyed a sausage sizzle and a time of fellowship together. Just one week later, Dwayne received a call from a lovely lady who had received one of these invitations. The next day we met with her in her home. Several times she stated that she was very uncertain of her salvation. Dwayne explained to her how she could know for sure and she prayed to receive Christ. The next day she visited our church and plans to continue coming. Please pray for more people to respond to our outreach efforts. Thank you.

Our discipleship classes are continuing to go well. Dwayne is now meeting regularly with three men who are going through their first discipleship training book. The young woman that is being discipled by Valerie is now on her second discipleship book and recently began witnessing to one of her co-workers.

Please Continue Praying

Thank you so much for your continued prayers for Valerie. Unfortunately the last two surgical procedures over the past several months have not helped with the ongoing pain. Right now Valerie is on pain medications, going to physical therapy and hydrotherapy and working on losing weight. She has her next appointment with the spine surgeon next month. Please continue to pray for her.

Finally, brethren, pray for us, that the word of the Lord will have free course, and be glorified, even as it is with you:

- 2 Thessalonians 3:1
