

The Keefe Connection

Lifting Christ Up Down Under

April 2018

Blessings Abound

April has been a month of blessings. Easter Sunday we had an all-time high attendance of 314 people! Some were visiting family members but we did see many new families and people returning for their second or third time. The following Sunday we had another baptism with three people getting baptized. We were so excited that the young woman who received Christ last month followed the Lord in believer's baptism. It was such a joy for Dwayne to baptize her. Bethany and her sister are now doing discipleship classes with Valerie.

Certificate Awarded

The Bible Institute is going strong. Another student completed the Certificate One in Bible studies. Morgan has aspirations to become a youth pastor. He plans to continue his studies soon. Right now we have two other students working on their certificates.

Please Pray for Valerie

Please pray for Valerie. She recently had to have a bone scan which revealed post-op inflammation in her hips and lower back. She has been in a lot of pain. Her surgeon has referred her to a pain management specialist for injections. Then she will follow up with the surgeon later in May.

Finally, brethren, pray for us, that the word of the Lord will have free course, and be glorified, even as it is with you:

— 2 Thessalonians 3:1
