South West Baptist Church Celebrates Six Years

On Sunday, the 22nd of July, South West Baptist Church celebrated six years of ministry in the Dalyellup and South Bunbury area. Pastor Michael Nelson and Tammi Nelson planted this church six years ago. We came along exactly three years ago and have been working alongside the Nelsons to reach the lost in the southwest of Western Australia. We praise the Lord for having 317 people in attendance for this special day. We look forward to seeing what the Lord has for us here in the future. Thank you for your faithful support!

“Occupy Till I Come” - Luke 19:13

We are very pleased to report that the young woman who has been doing discipleship classes with Valerie has finished her first study and has now moved on to the second study. She has begun serving in our church by greeting parents and signing in children for our Kids Church. Her mother is going to join Valerie's Bible Study for the older ladies in our church. They are beginning a new study called “Sold Out,” a study of Jesus's twelve disciples. Dwayne has begun a discipleship class as well with three men in our church. Another man has also begun studies in the Bible Institute here. Several new people have started attending the Explore the Bible class which meets each Sunday morning an hour before the Worship Service.

Thank You for Your Prayers

Please continue to pray for Valerie. She had her second surgical procedure in July. 12 problematic nerves in her lower back were burnt off. If this procedure does not give her any pain relief, she will have to return to her spine surgeon in September and discuss what is the next step in helping her with the post-surgery pain she continues to have.

*Finally, brethren, pray for us, that the word of the Lord will have free course, and be glorified, even as it is with you:
