Dear Pastor Grieme and Church,

We continue to see God working as we close out this year. Churches have been organized, pastors ordained and I have seen more churches giving "beyond their power" (2 Cor. 8:3) as they have stepped out by faith to give towards reaching the lost around the world.

Some of the statements I have heard from pastors in the recent past are as follows: "Giving to missions really is a blessing to our church"; "Since our church has been giving to missions our general fund has doubled from last year"; Where does our church get more missionaries to support". Continue to pray with us to "the Lord of the harvest, that he would send forth labourers into his harvest (Luke 10:2)

Renee writes the following : "In November eighteen ladies gathered together for a time of fun, food and fellowship. Each of these ladies is a pastor's wife. I wanted to do something special for these pastor's wives. They work hard raising children, taking care of their homes and ministries.

That Saturday would be just for them. Several of the ladies shared testimonies of what God had done for them. Please pray for Susan, one of the pastor's wives. She has been diagnosed with cancer. She has such a sweet spirit and is trusting God."

Floice Ambani passed away a week ago. Thank you so much for your prayers! And I and the Ambani family thank each one of you who gave toward her medical expenses! May God reward you greatly. They were a shining testimony this last year through it all.

We pray that you, your family and church will have a Merry Christmas and a wonderful and fruitful New Year! And thank you so much for your prayers and faithful support, especially this month!

For lost souls in Africa,

***Thank you for \$150.00 September***

Ole and Renee

***Thank you for \$150.00 October***
