Dear Pastor Robertson and Church,

For the first four months of this year I have had the opportunity to preach in four faith promise missions conferences. The Ruiru Bible Baptist Church promised to give the equivalent of \$2,790.00 above their tithe for missions. The Githothua Bible Baptist Church promised to give the equivalent of \$610.00 above their tithe for missions. The Ishki Bible Baptist Church promised to give the equivalent of \$300.00 above their tithe for missions and the Bible Baptist Church of Thika promised to give the equivalent of \$1,910.00 above their tithe for missions. Praise the Lord, churches in Kenya are proceeding forward in obedience to the Great Commission! This is our main prayer request, that the churches here will learn the grace of giving that other churches may be started, not only in Kenya but around the world.

The month of April is one of three months in the year that our Bible college is not in session. During the month I was asked to preach a course on "missions" to 15 students out in the country (Iskhi Bible Baptist Church). This is one of the above churches that had me take faith promise missions commitments the following Sunday. Then a few weeks later I went out into the eastern part of Kenya to a town called Kithumula. The Independent Faith Baptist Church hosted a Sunday School Administration retreat for 40 Sunday School teachers, representing eight Baptist churches in the area. I spend those two days trying to help them learn how to grow their churches through the Sunday School.

Please continue to pray for Floice Ambani, whom I mentioned in our last prayer letter. They were able to raise enough money for her to have a blood transfusion. Now she is going through radiation. I am trying to help them with transport five days a week. She needs to continue this treatment for another six weeks. However, they have completely run out of money to continue. We are praying with them that God will provide the money needed for the rest of this treatment (\$1,400.00). Then, if the tumor in her body shrinks she will have surgery to remove it. Continue to pray that not only will God provide the medical cost but most of all that he will heal her completely!

We continue to see God working here in Kenya and we most certainly thank you for your prayers and support!

For lost souls in Africa,

Thank you for \$150.00 April

Ole and Renee
