

John & Ronda Lennon

Missionaries to Ecuador

FALL 2018

Dear Friends & Family,

The fall season has arrived and so has our travel schedule. Since August we have traveled over 5,000 miles through some 16 states. We are grateful to God for His protection and goodness to us. We have spoken at a dozen churches, two schools, two missionary prayer groups, participated in a Christian businessmen's breakfast, and met personally with many people along the way. We have been humbled to meet so many people who have prayed for us throughout the years and encouraged to meet many new people who have committed to pray for us for our next term of service.

During the fall, there has been one young lady who has trusted Jesus Christ as her Savior. We have spoken in several new prospective churches plus two new supporters have committed financially to support us. We continue to trust the Lord for the remaining monthly support needed before we can be released to return to the field. (ABWE requires 100% committed support before receiving financial clearance). Also, God has provided 85% of the amount needed to purchase a ministry vehicle for our next term. Sometimes all this overwhelms us, but we are grateful that the Creator of the Universe leads us each step of the way.
