## **Liggett Letter - December 2017**

### **FIRST SERVICE**

Merry Christmas to ALL!!! This is one of the greatest seasons of the entire year because of the joy of celebrating the birth of our Savior. The reason He came to earth was to bring salvation and this is the reason we have come to Guatemala: to share this GOOD NEWS and to make disciples of HIM! With this season and spirit of the season upon us, we held our first service of “Via de Esperanza Iglesia Bautista” in La Comunidad. Praise God for those that He brought out! For a month before our first service, we were holding

bible studies with children and youth, getting to know them and their parents.

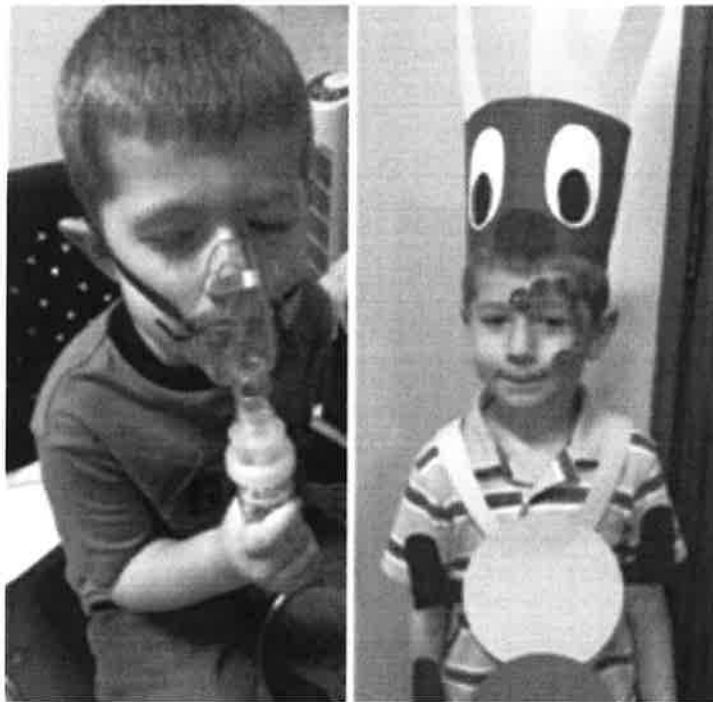

We need churches from the USA to adopt this new work through prayer and financial support. Just as it takes a village to raise a child, it takes a great multitude of churches and individuals to raise up a baby church into a great work! Thank you to our sending church Berean Baptist for purchasing the chairs needed for our first service! What a great blessing! *Contact Jonathan to see how you can help the needs of this young church plant.*

## **HEALTH**

Health has been a constant issue this last month for our family. Jonathan, Joanna, and Kamden have all struggled with pneumonia. We are thankful for the many that reached

out through Facebook to let us know they were praying for us, and especially for Kamden. His doctor told us she couldn't believe how fast his lungs recovered. We told her that we had many people praying and God has worked a miracle! She said she could tell because there was no other way it could happen. THANK YOU, GOD!! Please continue to pray for good health as we continue to serve the Lord in Guatemala.

## **SUPPORT**

Praise God we where were able to add 4 new supporters to our team since our last update letter!!! We only need 16 more partners at \$50 a month to get on board with the work God is doing here in Guatemala. Please consider being ONE of the 16 that we

need. Each church, individual, family, and Sunday school class makes a huge impact in this ministry.

***We need YOU!***

**MISSIONS TRIPS!!!**

There is no better way to spread a passion for global missions in your church or group than by stepping foot on foreign soil to personally see what God is doing. Several churches have contacted us about coming down on a mission trip, checking out the ministry and lending a hand in furthering God's work

here in Guatemala! We are now planning for 2018 and would love to see you. If your church or group is interested in a missions trip, we would LOVE to speak with you about the possibilities!

**Thank you** for your prayers & support as we partner for this great missionary endeavor.

Serving together,  
Jonathan & Joanna Liggett
