Dear Pastor, Church, Family and Friends,

Tomorrow, Monday, April 23, is the "Día del Libro" here in Spain (a day they celebrate books and the printed page). There are many celebrations, activities and stands all over Spain where people can buy books as well as receive a book that is being gifted.

For many years, the Gideons (an organization that gives out free Bibles) have tried, without success to get their New Testaments into hospitals. Through much prayer and someone's ingenious thinking, the Gideons in Madrid presented a request to give away a free New Testament (with Psalms and Proverbs) at the hospital doors in the Madrid area on the "day of the book". By God's grace and His power, the government has accepted their request and granted them permission (to them the bible is just another book!) but to us who believe, it is a sword that pierces the heart!

So we are writing to ask you to join us in prayer, tomorrow, as the Gideons hand out over 20,000 New Testaments in many of the huge hospitals in Madrid and it's surrounding cities. Pray that God will allow HIS word to be received and read. This is the first time in Madrid's history that the government has allowed this to happen!

In His Service,  
Jack and Joy Loveday
