Visual Update

December and January were full of exciting events! So much happened, we thought it would be better to show pictures to capture what God did!

Our Discovering Jesus and Growing with Jesus classes celebrated Christmas through songs, choreography, drama, and Scripture reading. They did an amazing job!

Fromsa & Bien's son Matanya, sang with all his heart!

Anaol and Saba had a busy couple of months. One evening during pre-marital counseling, Anaol realized he had never been baptized as a believer. Shortly after he was baptized, they were acknowledged as members of Bethel, finished pre-marital counseling, and were joined in marriage.

We had a wonderful turn out of local pastors for our annual Men's Biblical Training Conference.

Bethel's youth services and events continue to grow. It's always a blessing to spend time in God's word with these teens!

It was a joy to minister to FA Academy! We were able to share the true meaning of Christmas and treat the kids to games, gifts, and sweets.

Permanent Light Land Funds

We have reached \$105,567 in gifts and promises toward Bethel's goal of \$200,000. Donations can be made through the BBFI with a note for "Bethel Land".

It has always been a desire to be involved in training men in the knowledge of Christ. It's exciting to announce that we started a Bible college at Bethel on January 10th! Each man signed a commitment to complete 10 courses during the next 2 ½ years. Praise the Lord!

Additional Prayer Request & Praises

- Please pray for each of the men who has committed to Bible college over the next 2 ½ years.
- Please Continue to pray for the process to obtain work permits through the BBFI in Ethiopia. We will be submitting some more paperwork in the next 2 weeks.
- Pray for the church members that are being discipled at Bethel Bible Baptist Church. Please pray for Anaol as God leads him to take steps of faith. (Anaol was baptized as a believer!)
- Please continue to pray for us as we learn Amharic.
- Please pray for the Permanent Light Project. We are a little over half way to purchase land.
