March-April 2019

MARCH was definitely eventful for us. We had so many things happening at the same time, so we will just mention them quickly: the first week of March we participated in an awesome two-day **MARRIAGE RETREAT**, then held a baby shower for a new mother in our church. The second week of March we not only moved to a **NEW HOUSE** just a few blocks away, but also started a **NEW HOMESCHOOL YEAR** with the kids, and Ben started a new year teaching in the Bible college in Casanova!

We are, thankfully, settled into the new house, and settled into the new routine of a new school year. The second Sunday in March, we had 5 follow the Lord in believers' **BAPTISM**, and we had a special service in which we formally established church **MEMBERSHIP!** The end of March, saw us receiving a huge blessing as a church family. We have had a **PROPERTY** lent to our church rent free for now, with the possibility of it being **GIFTED** to us in the future. We are overwhelmed and grateful to God for His goodness to us!

APRIL was no less busy. Along with the usual ministry, we took part in a family **EASTER RETREAT**, with 39 going from our church. Rachelle was able to lead a young woman, Solange, to the Lord while there! April 27th was the date for a joint **YOUTH EVENT**, with our youth group involved, and Ben was able to lead a young man, Lucas, to salvation! Please pray for the **UPCOMING** months: May- working on the new church, June- 2nd church anniversary (at the new property), and Father's Day, then hosting a team for ten days!

School year 2019! One high-schooler, a middle-schooler, an elementary-schooler, and a pre-schooler!

Signing the church covenant

playing table games with some of our church people at the Easter retreat
