Subject: THE UKRAINE REPORT: FEBRUARY - MARCH, 2019

THE UKRAINE REPORT: FEBRUARY - MARCH, 2019

Dear Pastor Grieme and friends at Central Baptist Church,

Since our last update on December 23, we have traveled a lot and have put in many hours getting ready for the next year. There are several things to mention.

College update:

The Bible college is moving ahead. We just finished "NT Introduction" in two cities and we have "Eschatology" this month (February) in three cities, plus "The Book of Job" and "The Book of Ezekiel" in the western part of Ukraine.

Medical update for Ron:

On Dec. 26 I had a biopsy of the prostate gland and it revealed I have prostate cancer. I had several tests done and on Jan 30, 2019 I had my final doctor's meeting in preparation for the prostate removal surgery. I scored very well on the heart exam and my whole body bone scan revealed no cancer in any other part of my body. So the outlook for a complete cure of my prostate cancer is very good indeed, but of course it is not 100%, so please pray when you think of us. The surgery for the removal of the prostate gland is scheduled for March 5, 2019 at 8 AM in Amarillo, Texas. The surgeon is very positive, but we cannot know there is a removal of all cancer cells until after the surgery when the removed parts are analyzed by pathologists. The best way you can help is by praying for our spiritual and physical lives.

Prayer:

- Safety in travels to the states and back in the next two months
- Ron's prostate surgery on March 5.
- We need two young ladies who will live with two Ukrainian girls and will work in the Evangelistic English Club in our back yard. Last year was a success.
- There is a possibility that we may start regular classes in our fifth country.

Central Baptist, thank you so much for helping us win Ukrainians for Christ. We count you among our dear friends. Pray for Peace in Ukraine.

Ron and Nancy Minton
