THE UKRAINE REPORT: APR. - MAY - 2018

Dear Pastor and friends at Central Baptist Church,

We returned to Ukraine in December, 2017 and are still trying to catch up on all the admin. We are not complaining but are excited about all the classes that were held and the ministry progress. In the past twelve years we have had classes in 22 cities. Most classes are in Ukraine, but almost half the cities are in other countries. In two recent 3-day weekends, Ron preached three times and taught two courses "Genesis" (finished) and "Acts" (ongoing). That, and fighting with the icy roads and car problems, made for long days :)

We are on track to have another record year for the Bible college. Ron's March class in the war zone made us appreciate the Word of God even more. Many students have lost so much, but not their faith - and they hunger for God's truth.

In the winter we had a lot of beautiful snow here, but it made it hard to go outside much except to shovel it. We are looking forward to a nice Spring. We tried to go to a small fitness center several days each week for exercise, but ice was a problem. In April we will be teaching in Kiev and it will be warmer then.

Central Baptist, you are partnering with us to win Ukrainians for Christ.
We count you among our dear friends. Pray for Peace in Ukraine.
