THE UKRAINE REPORT: JULY - AUG. - 2018

Dear Pastor Grieme and friends at Central Baptist Church,

On June 14 we started a ten-week neighborhood children evangelism effort in our backyard here in Ukraine. We have two college ladies from two supporting churches in the states here to help us. They teach English as a draw to get the children to come. They share testimonies and God's plan of salvation. We are half way through and are averaging in the twenties every day. The interest is growing as word spreads.

We are mostly into training adults in our Bible college, but we really want to win more people to Christ so pray for us this summer. I also wanted to report that we have a full line of Bible college courses planned and it looks like this will be another record year.

On a personal note, July 4 was our 46th anniversary. Our oldest grandson graduated from high school this year - we must be getting old :)

Prayer items:

1. The summer children evangelism project
2. Health for us and the workers
3. Three of our churches need pastors
4. The audio project for remote pastors is almost done and is being tested.
5. Pray for health for all - one of the girls has some medical issues but we think she will be OK for the summer. The girls also want to be used for the Lord.

Central Baptist, you are partnering with us to win Ukrainians for Christ. We count you among our dear friends. Pray for Peace in Ukraine.
