Dear Friends in Christ,

We have seen God working mightily already in this New Year of 2019, with blessings, healing, provision, and protection in our lives. It is a joy to report that Bro. Peter Kasamba is feeling much better, and active in the ministry and preaching the Word once again. We are also praising God for His protection during a recent terrorist attack in Nairobi. Without knowing it, we were driving within a short distance from the Hotel which was attacked, and nearly the same time it took place. When we safely arrived at home, we heard the news. ***Psalm 140:4 "Keep me, O LORD, from the hands of the wicked; preserve me from the violent man; who have purposed to overthrow my goings."*** Our times are in His hands!

During the month of December we had a special Christmas play entitled "***The Mystery of God Revealed.***" The narrator was portrayed as ***Inspector Sherlock Holmes*** who investigated different Bible characters who during their times in history were used of God to reveal His mysteries to mankind. Beginning with Adam and Eve, and leading up to the time that Jesus Christ left His home in Heaven, was revealed at birth, and how He died for our sins on the cross.

As a continuation of the Theme "***The Mystery of God Revealed,***" we have entered into our Missions Month which includes extra visiting, teaching and preaching on Missions, and concluding with the highlight of our Faith Promise Missions offering. It's always an exciting time for our church when we expect great things from God, and attempt great things for God. So far two men have been saved because of the visitation outreach.

As a church, we refinished the main floor with tiles, and it turned out quite nicely. Also the walls are filled with beautiful pictures and verses and posters of how God has revealed Himself in History, and how we are challenged to reveal or introduce the Gospel of Jesus Christ to a lost and dying world.

We want to thank you for your Faithful Prayers and Support! This work cannot be done without you!
