### **Dear Friends in Christ,**

The Lord has blessed the Churches in Kenya and Tanzania with souls being saved and a few being baptized. The biggest problem in Kenya early this year is that there was a lack of rain and then after Kenya received a lot of rain it became too cool for outdoor baptisms. Between the 3 Churches and 4 Mission works that we work with the Pastors reported from January to June that 32 people received Christ and 2 were baptized. We, like Luke in the book of Acts, want to give God the Glory for people coming to Christ. ***Acts 2:47 Praising God, and having favour with all the people. And the Lord added to the church daily such as should be saved.***

The ongoing well project in Tanzania with Peter Kasamba is nearing completion, with only one cement culvert left to be installed. The workers descend into the hole of nearly 30 feet and dig out from underneath the culverts in place, and when enough ground is dug out all the culverts drop down making ready for the next culvert. Each concrete culvert is about 39+ inches in length and is about 1 meter( 3.3 feet wide). One weighs 450 Kg about 990+ pounds. The well will be 10 meters (32 feet+) in depth when finished.

We put out an urgent request to raise \$975. for this Well Project. To date \$600. was given towards the project. Because the need was urgent I advanced Bro. Peter the money with extra to cover all the bank charges due to transfer and exchange rates dealing with foreign banks, plus any extra to cover work related matters. I advanced Bro. Peter \$1200. out of our traveling expense to go to the field and we will pay it back when the funds come in for this well project. So we still need \$600. to pay back our fund. Thanks for thinking and praying and helping with this need.

Nancy is still struggling with her abdominal issues and she is continuing to take her herbal medicines aiming to correct the problem. Thanks for praying for her.

***We Thank you for Faithful Prayers and Support!***

***In Christ,***

**Subject:** Two Special Prayer Requests

Hi to all,

Please pray for the Family of Esther who was our good friend in Kenya. She went to be with the Lord last Thursday in the night.

Also Missionary Peter Kasamba is half way with the rebuilding of his well. He ran out of materials. In order to finish they need around \$975 for materials and funds to pay the workers.

This is a slow project that is done by hand and it needs to be finished quickly before more rains damage what has already been done. If you can help with this project we would greatly appreciate it.

Jerry & Nancy
