

TOGETHER WE'RE MAKING A DIFFERENCE IN BRUGGE

This is our last internship year and we're preparing for the future. We are very excited to continue the work right here in Brugge. **Because of you we will be prepared for this coming chapter, and we are honored and grateful. Thank you.** Through your partnership with us during this preparation phase we will be well equipped and by God's grace the fruit of our efforts will be more abundant.

These highlighted categories are key parts of our ministry and funding in these areas is crucial for our ministry to thrive.

Our **vehicle and other forms of transportation** have allowed us to travel for long-distance discipleship, to attend conferences, and to shuttle people to different church events.

The **communication** budget allows us to print Bible study guides, small group discussions, children's materials, and more.

Being a foreign national in another country requires lots of government paperwork. **Administrative and government fees** allow us to stay here in good favor with the authorities.

We're always learning and in need of new **books and ministry resources** to equip us and expand our potential.

Evangelism is living life with people. Whether it's a cup of coffee or a community event, these elements allow us to create a setting for building relationships and Gospel conversations.

WE NEED YOUR HELP TO MAKE AN IMPACT.

Your extra year-end gift to one of the above categories can help our ministry thrive in 2019 and reach more people with the Gospel in Brugge.

Thank you for your love for this city through your giving, prayers, and personal encouragement to our family. All three aspects are key in successful cross-cultural church planting. You are a part of what God is doing in this city.

With love and appreciation,
Brennan, Libby, & Eleanor Penner
