One Church at a Time

Visited 8 Churches in America

We were so glad for our time in America where we got to visit 8 churches over 7 weeks in the states. It was a such a blessing to share with so many people about what God is doing in London. We got back to London mid October and it has been fantastic being home and back in our church.

Trick or Treat

Kayla (our intern from America) and I got to dress up on the 31st of October to hand out sweets to the families in the neighborhood. We had over 140 kids and teens come by to get sweets! It was so great to have a positive impact on the evening and to be able to give out lots of invites to church. Kayla handed out 1,500 to all the houses around the church.

The Rhoades Family Is Growing

The Rhoades family of 2 is quickly becoming a family of 3!!! We are so excited to announce that we are expecting a honeymoon baby next year. God definitely has big plans for us and I am so thankful for God sending me Rachel and soon a new baby girl. It has been quite the eventful year with joining our church back in March, getting married June 12th, and now a baby girl coming March 27th. Please be praying for all the changes coming up and preparation needed to welcome this little girl into our lives. Also, be praying as we will be moving out of the flat and into a house to make room for our growing family.
