One Church at a Time

We Got Married!!!

The summer of 2018 is off to a great start: we have had the privilege of being able to help reopen a church in London, host two mission teams from America, have our first outreach event, and we have switched mission boards to Central Missionary Clearinghouse. But by far the highlight of the summer was when Rachel and I got married on June 12th! Part of the process of getting married in another country means you get to have multiple wedding celebrations, we were officially husband and wife on June 12th, our UK wedding celebration with all our friends and the rest of family is on August 27th, and then we will have an American reception on September 22nd in Topeka. If you're going to be nearby that day, please let me know. It would be great to have you join us!

Our First Outreach Event

We had our very first outreach event with our church in July and invited everyone we could to a family BBQ and movie night. We had over 80 people in attendance and have had several return on the Sundays since the event. It was so exciting to see the church full of families, both young and old from around the community. Almost all that came had never been inside our church building before and some had never been to any church before. Please be praying that we can continue to follow up with these visitors and that we will be able to see lives changed as a result of what God is doing in our little church in London.

Don't Forget the New Mission Board

We have switched where your financial support goes to in America to reach us here in London from the BBFI to CMC. Be sure to make the switch in August if you haven't already. You can get the full directions about how and where to send your support on our website at: SavingLondon.com.

2. That we would get to see at least one salvation, one baptism, and one membership this year.
3. For 9 new churches to come on board with financial support (1 has joined this month).
4. For Rachel and I as we have begun our first year of marriage.
