A Time to be Thankful

As many of you know we have started our visa process. This time for us has already been a little stressful and apparently it's not going to be a short season in our lives. Sometimes difficulty can take your mind and your eyes off of the great blessings that God has provided. I wanted to take some time to let you know about a few of the things we're thankful for.

1. Our family

God has added another healthy baby girl to our family. We are blessed as missionaries to get to be around each other more often than most families. It's a huge blessing to be able to watch all the little milestones that happen as our

2. Our Supporters

We have been blessed with the most amazing and faithful supporting churches. You all have come through month after month ever since we got approved and we are so thankful for each and every one of you.

3. God's Provision

As we have traveled God has given us an abundance of resources. Thanks to your faithful giving every month and the love offerings we've received as we've traveled we have been able to put aside funds for our setup costs. We are on track to be able to save all the money we need for any visa costs we might have, plane tickets and setting up our house upon arrival in Australia.

Thank you all for being a huge part of these amazing blessings.

Although God has been so good to us we still have one area of need. As we mentioned God has allowed us to save all the money we need to get us to Australia and set up our house when we arrive. The one thing we don't have is the money to purchase a family vehicle. This is where we would like to ask for your help.

We need to raise \$20,000.00 for the purchase of a reliable vehicle for our family. Apart from our visas and the remainder of our monthly financial support this is the only thing we're waiting for. I want to thank you in advance for your help. God has always provided for every need we have and I know He's gonna do it again. Are you willing to let God use you to help?

There are two ways for you to give and 100% of the funds given will go directly to us.
