A Guy Named Jeremy

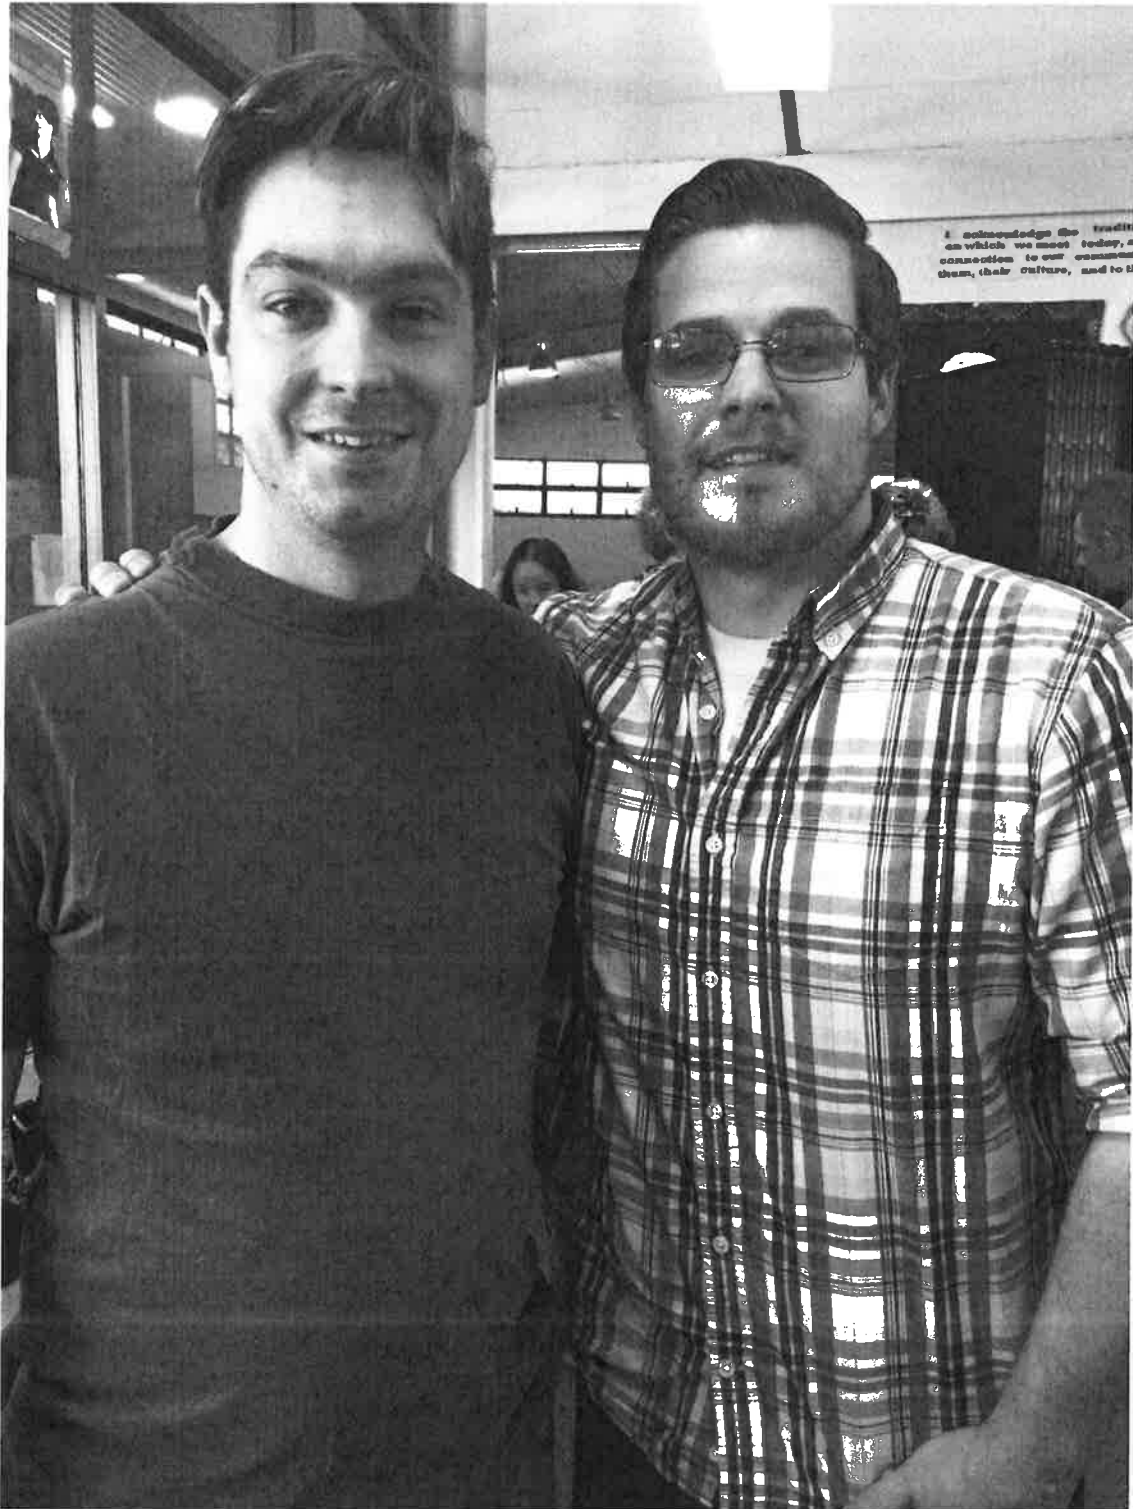

When we first arrived in Australia we were thrust into ministry right away. It was great to get to be a part of a church and play a part in ministering to a community. One of the people we were able to minister to was a guy named Jeremy.

Jeremy was a young guy who was out of school and worked at a local grocery store in the bakery section. Jeremy and his girlfriend were living together but they would attend our services on Sundays as long as they had a ride. As a church we decided to allow Jeremy to serve by working the computer on Sunday mornings. He loved it! It gave him a reason to come and it gave us an opportunity to make sure he continued to hear the gospel.

On Saturday nights Ian would check in on Jeremy and his girlfriend to make sure they were coming the next morning. We would pick them up on Sunday mornings and they would ride in the back seat of our Honda playing with and talking to our oldest daughter Lily. After our second child was born Ian would pick them up take them to church and then return home to get the rest of the family because our vehicle was too small.

We did this for over a year. Often times wondering if these small sacrifices and trips would ever make a difference. One Sunday the good news of Jesus bore fruit in Jeremy's heart and he decided to follow Jesus. Wow! All the trips suddenly worth it, all the Sunday afternoon lunches worth it, all the dinners at our house now worth it because God often uses these small moments to plant seeds in people's lives that eventually bear fruit.

This is just one story of many that we could tell about how God moved simply because we had a vehicle. There are more stories like this that will one day be

We need to raise \$20 000 00 for the purchase of a reliable vehicle. Apart from

thing we're waiting for. I want to thank you again for your help. God has always provided for every need we have and I know He's gonna do it again. Are you willing to let God use you to help?
