Summer Travels

Usually the Summer is somewhat of a slow time for missionaries on deputation. That's understandable as most churches have people leave for vacation, church camps, vbs and several other events on. Our summer however has been packed. Ian was able to travel to Manila, Philippines, Maine, New Hampshire, Massachusetts, Missouri and Alabama. Manila was an incredibly profitable time as we were able to build relationships that will hopefully help in our church planting efforts in Canberra and the rest of Australia. We were also able to add multiple financial and prayer partners in the Northeast and Missouri. Currently, we're in Texas for all of July and we'll be in Arizona for three weeks in August. We are very thankful that God has kept our schedule full and allowed us to remain busy.

It is so awesome to see God continuing to supply. We have had new supporters coming in and even more that have promised to start supporting soon. We are now looking for our final 15 financial partners!!! This is exciting news for us because it means the end is in sight.

One of the highlights of the last two months was a week we spent in Dallas with our Australian friends the Turners. We had so much fun getting to see them and explore America from their point of view. Of course we had to introduce them to all the local foods (In N Out Burger).

Since June we have been able to

Please Pray!

1. For our support to come in. We are down to needing our last 15 partners. Pray we can raise our needed funds before the end of the year.
2. For our visa process. We hope to start our visa process this Fall. Pray all goes well. Our prayer is that we can return to Canberra by January of next year.
3. For traveling safety. We've had to invest several hundred dollars in our van over the past month. Pray it will continue to run well. Also, pray

travel as a family again. This has been good for all of us as we've been able to be together again. It has however been difficult. Emmy is not a fan of her car seat and unfortunately she has to be in it a lot. Traveling is not as easy with a screaming baby in the back!!

Emmy can get used to traveling.

Thank you!

Thank you for your continued prayer and financial support. We are blessed to have each and every one of you in our lives. Your faithfulness in praying and giving has been a huge blessing to us.

Answered Prayer

Thank you for your continued prayers. In the last 2 months we saw 5 new financial partners added and 3 more say that they would take us on soon.

We also had great safe travels. In fact, our van did break down but thankfully we were still in Springfield and we were a block from the shop that we use to work on it. When things like that happen we're always looking for the bright spots. Thank God it didn't happen on the road or in a different city.

Thank you again for your continued prayer!!!
