... The Night Cometh When No Man Can Work ...

Dear Pastor and Co-Laborers,

January 2019

Coming to the end of another year leads one to be self-aware that time seems to be getting shorter and shorter. This is evident because of the nations that will invade Israel, four of them, are now residing on the Northern border of Israel. This truth should cause every believer some joy, in that our time is short on this earth, but also to cause some concern, for those who have not yet received the Lord. We can, but look to the Lord and continue to be faithful to reach those, the Lord, allows to cross our pathway.

Our goal of putting out 17k gospel tracts last year has been reached. We have also printed 19k of the new tract for this year; *It's a Bird, No, It's a Plane, No, Its Superman*, which deals with the myth of alien life out there. With the extra help of William and Linda and Chris (saved Oct), we look to the Lord to give us the dry weather, to again present the gospel in written form, to the people in the surrounding area of Houston. We thank the Lord for allowing us to get last year's tracts out, as the weather has been wet over the past three months.

Our Christmas Fellowship went very well, which we host every year for those who are attending the church and for any friends of the congregation. We had the privilege of Bobbi coming, (wife of Chris), who has also attended services several times. Do pray for Bobbi, who was brought up as a religious person, (Church of Scotland), but after her teen years, began to deny the very existence of God. Chris, on the other hand is absorbing all that is presented to him. Pray with us for Chris, that he will withstand the coming trial he will face concerning the friction the enemy will ensue, due to Bobbie's belief.

We mentioned Frank in our last letter. He came twice, but have not seen him nor heard from him since. We know that God is able to subdue all things unto himself and that God is not willing Frank should perish. We look to the Lord to work in Frank's heart.

Do continue to pray for Linda, who 12 months ago, was blaspheming God, but now, God is working in her heart. She is not ready to get saved, so we wait on the Lord to do the work we cannot do in her heart. Linda can't drive but is there with her husband in the services and when they are able to go out to distribute the tracts. Please pray that she will soon come to salvation.

As we enter another year or more correctly, another day, (for our service to the Lord is day by day), we look to the Lord to use us for His glory and give thanks for allowing us to be faithful to these people and to you, for your faithfulness to them.

Servants, Dennis & May
