... The Night Cometh When No Man Can Work ...

Dear Pastor and Co-Laborers,

November 2018

If there is but one word that every believer wants to hear from their Savior, it is; well done, thou good and faithful servant. Upon hearing those words the believer will know that all they have gone through has been miniscule in comparison to how the Lord has blessed them. We know the Lord does reward faithfulness in his service. Which we have seen firsthand in the last few months.

It began with William, (now saved), along with his wife, Linda, (not yet saved), who came as a result of receiving a gospel tract. The twist to this story is they had received a gospel tract every year for the past 9-10 years, but this one, received in 2017, made the difference. Then on our recent Neighbors Day, William invited his workmate, Frank, who came and has since come back. He has not been for several weeks, but now we hear, he wants to return to the services. Do pray for Frank who has some real needs, the greatest is salvation along with his partner and daughter, (not yet attended).

Then just last month we had Chris who showed up at the services, displaying the tract that had just gone into his door the preceding week. Again the twist; we had put a gospel tract into his door for the past 9-10 years, but this one made the difference. It was the following week that Chris called, indicating he needed to be saved, which he received the Lord on Oct 4th. He has since brought his wife, Bobbi, (not yet saved) along with their son, Dylan, (not yet saved). Do pray for their salvation.

We can only rejoice in the Lord for allowing us to see some results for our efforts, knowing that even if we didn't see any results, we would still be faithful, for we serve the Lord Christ.

We are at the end of our tract distribution for the year with less than 1k left to go out. We have had some help this year in getting out the tracts, so plan to put out a few thousand more next year. We are in the process of producing the new tract about; Unidentified Flying Objects.

Our next major event is our Christmas Fellowship, which we hold at our house for all who have attended in the past year and to invite their friends, giving them a chance to know of our desire to be a blessing to them.

We again rejoice in your faithfulness to the people here, and look forward for you to meet those who have recently been saved and those who will be saved.

Servants,
Dennis & May
