... The Night Cometh When No Man Can Work ...

Dear Pastor and Co-Laborers,

Over the years we have made many request about the weather here, for it is so unpredictable. We don't know if it will rain or not and have outdoor activities. But we must rejoice in the Lord answering the prayers of his servants for the past 6-8 weeks we have had warm weather, sometimes even hot, (we had a record temperature of 96 degrees last month, normally 75 degrees is hot). Because of this blessing we have been able to get into the square to speak to people and go around the housing areas with the gospel tracts. It has been a blessing to get up and not have to put on a wind breaker because of the chill in the air. All in all we have been enjoying the warm weather, but now we also appreciate what many of you face as well, no rain. We do need some rain, but not too much.

Our Friends Day went well, several were invited and one came, Ryan, who is a friend of Scott. We thank the Lord for this one as we look forward to having more contact with him throughout our summer activities. We did mention Dag and June in our last letter but they have not returned, so we have no way of following up the visit with them. We do ask that you continue to pray for Dag and June.

We are well into our Summer Campaign in setting a goal of putting out an average of 1000 tracts a week during the next 6 weeks. We are on our way to reaching that goal because we have a few more going out with us throughout the week. We also have another couple who has just started coming to the services who is helping with this outreach. This couple, William and Linda, have come because of the tract that we put into their home last summer. This has given us some encouragement to be reminded that Gods word will not return void, even if it was given out nearly a year ago.

Do pray for William and Linda as they need salvation. William accepts he has sinned against God, but doubts that God will save him. Linda doesn't accept the penalty for her sin. We are giving them scripture for these issues and calling upon God to bring conviction on their hearts. They have been coming for 4 weeks now.

Several events will be taking place over the next month; Our Annual BBQ will be July 12<sup>th</sup>. The Ladies Day away will be July 19<sup>th</sup>. The Church day away will be July 26<sup>th</sup> and then we will have some special events for the young people as well.

May and I enjoyed our trip to Amsterdam but more so the rest we got from the trip. Thanks for your prayers for us. We also got some unusual blue tulips in our travels.

We thank you again for your faithfulness, allowing us to reach those who are in need of salvation.

Servants,  
Dennis & May
