Dear Pastors/Prayer Partners,

The cooler temperatures, shorter days, longer nights, and stronger breezes can mean only one thing – autumn has arrived. I'm so grateful that God is always faithful no matter what season of life we're experiencing. Over and over, the Word of God reminds us that He never changes! Even when the winds of change are blowing over our lives, we can cling to the promise found in Hebrews 13:8: **"Jesus Christ the same yesterday, and today, and forever."**

Over the past two months, we have had the privilege of baptizing 12 believers in two separate baptismal services. The list of candidates has included adults, teenagers and children. During one of the services, Doug had the privilege of baptizing our oldest son, Evan, 9, who accepted Christ as His Saviour while we were traveling on deputation. As you can imagine, it was a proud moment for our family!

Traci Warner, missionary to Nicaragua, traveled to Ireland last month to be with us for a missions emphasis Sunday. Originally, Traci was scheduled to be the featured missionary during our missions conference last May, but an ankle injury prevented her from making the trip. It was a blessing to hear Traci's heart for the Nicaraguan people and her desire to return to the country – which has been plagued by violence in recent months – possibly in early 2019. Our church is grateful to have a part in Traci's ministry through both our praying and our giving.

Finally, please keep the following items in prayer:

- Pray for the Lord to give our two oldest children, Hannah and Evan opportunities to reach out to their friends and classmates at school.
- Pray that the renewal process for our visas goes smoothly. We will be applying for an extension early next year.
- Pray for those who are currently in one-on-one discipleship to remain faithful and continue down the path of spiritual maturity.
- Pray for Doug and the students at Crossroads Bible Institute to have a productive finish to the autumn semester.

Serving Him,

The Staleys
