God certainly is faithful to keep His promises! We have experienced His hand of blessing since arriving in Ireland two years ago. We're grateful for everything He is doing here in the town of Mallow. Thank you for your prayers, support and

"Raise your Bibles high in the air Charge!" The children in Junior Church really enjoy sword drills. Please pray that the Lord would develop a love for His Word in their hearts as we minister to them.

encouragement.

Ministry Update

March 2018

During a recent dinner conversation, an Irish man leaned over and said “it seems like you’re starting to pick up the (Irish) accent.” My first reaction was how could that be possible? But the more I thought about it, I realized that maybe I am starting to sound more Irish – at least how I pronounce certain words. Then it hit me that we just celebrated our second anniversary in Ireland, which could explain why my American accent sometimes waxes Irish. It’s amazing how quickly time flies!

No doubt, God has richly blessed our family since we arrived here in March 2016. We count it a privilege to serve the Lord and be a part of what he’s doing here! God has been so faithful to our family during the transition to life and ministry in Mallow. We’ve experienced highs and lows, but through it all the Lord has been our refuge and strength. We also don’t take for granted the prayers and faithful support of our ministry partners. Thank you for standing with us, encouraging us with cards and letters and blessing us beyond measure. It means so much to know that you are solidly behind us. Continue to pray for God to protect our children – Hannah, Evan, David and Nathan – emotionally, spiritually and physically.

The first few months of the New Year have been busy ones! Classes at Crossroads Bible Institute are well underway. We praise the Lord for several new students who are enrolled this semester. We have enjoyed our journey through the New Testament and recently completed our study of the book of Acts. It’s inspiring to read about the early church and the zeal they had for the Gospel and serving the Lord. During our mid-week Bible study, we’ve been walking verse by verse through the letter of I John. Please pray for the truths we’ve been studying to take root and for believers to grow spiritually.

We’re thankful for the many opportunities to serve the Lord. Amber has been meeting weekly with a lady for one-on-one discipleship and Doug has been discipling a man in the

church. What a joy to see these believers growing in their faith from week to week as they study and learn the foundational truths of the Bible. Finally, we're in the process of planning our second annual Family Conference for the last week of April. The Lord really blessed and worked in many lives during last year's conference. Please pray for families in our church to be challenged and strengthened spiritually.

Serving Him,

Doug & Amber Staley

Hannah, Evan, David & Nathan
