Dear Pastors/Prayer Partners,

It's been exciting to see the Lord working in our services over the last couple of months and in the lives of individuals. The Lord continues to bless our emphasis on training faithful followers of Christ through the Biblical model of one-on-one discipleship. In fact, we honoured three church members this past Sunday for completing all 10 discipleship lessons and a fourth for reaching the halfway point. Typically, it takes about a year or more to complete all of the lessons. This Sunday, we will be recognizing two people, including one who has finished discipleship. We praise the Lord for the faithfulness of these disciples and their desire to become fully committed followers of Jesus Christ. In addition, each of them have expressed a desire and are praying about taking on a disciple of their own. Please pray for the spiritual growth of these disciples and for them to be godly examples and leaders within the church as they seek to serve Him.

We had a tremendous Easter service a couple of weeks ago. The Lord moved in hearts as the hope-filled message of the resurrection was communicated through music, the preaching and teaching of God's Word and a short drama. Please pray for the message of the Gospel to take root in the lives of those who came to the service.

This month, we're looking forward to our missions emphasis month. It's always one of the highlights of the year for our church. This year we're hosting a single missionary to the country of Romania. Our desire is to partner with her both prayerfully and financially and we are planning to make such a recommendation to the church.

In addition, please remember to keep the following items in prayer:

- Pray for the upcoming Big Green Bible Club, held during the last week of June, and teen camp, which is scheduled for mid-July. This year, we are praying for 50 teens to attend the camp.
- Our free parking outreach in Mallow is on May 9. We offer to pay for people's parking and then take the opportunity to share the Gospel and tell people about our church.

Serving Him,

The Staleys
