Underneath gray skies and a gently falling rain, more than a dozen of us hit the streets on a recent Monday morning with one goal in mind: to share the love of Christ with the people of Mallow. It was the first time we deployed the "Have a Good Day" campaign and, Lord willing, we're hoping to do it again in the autumn. We praise the Lord that despite the rainy conditions many seeds were planted. The point of the outreach was to engage people by offering to pay for their parking, which gave us an opportunity to tell them about our church and hand them a Gospel tract and other literature.

Once again, the Lord truly blessed during our annual missions emphasis month. Our entire congregation – from small children through adults – was challenged to do more for the cause of missions both in Mallow and around the world. Our church already supports missionary families in Tanzania and Wales and, as a result of the faithful giving of our people, we have decided to begin supporting a third missionary in Nicaragua.

Last month, we had a wonderful and well-attended Family Conference. This year's theme was "A Grace-Filled Family" and focused on topics such as communication, leadership and love and respect. There were separate sessions featuring Bible lessons, music and crafts for young children. We ended the conference on a Sunday morning with 127 in attendance – the highest total so far this year. Pray for God to strengthen the families who attended!

Serving Him,

Doug & Amber Staley
