

BAPTIST AMBASSADORS FOR CHRIST

"WE ARE AMBASSADORS FOR CHRIST." II COR. 5:20

Dear Pastor & Friends:

May, 2018

Our mother-daughter meeting was held on May 5 and we are happy to report that 43 mothers and daughters gathered at our church for this event. Our daughter, Joy Loveday was the invited speaker and she brought with her 6 ladies from their church in Madrid.

The church was decorated by one of our ladies who is an interior decorator and it was very special. She arranged for a chocolate fountain that was enjoyed by all. She left the fountain for Sunday School the next day for the children to enjoy as well. We had a first-time visitor who was 92 years old. She said she would be back again! Alessandra, who was baptised last month, also brought her daughter Liset (23) and there were two other unsaved ladies.

The first week of July the church will have a shortened version of DVBS. This is the first time we have done this in several years since it usually coincides with the first week of summer camps. However the schedule has been changed somewhat so we hope to be able to reach some new children from the area.

I had the opportunity to preach this past Sunday in our church and thank the Lord for daily strength to serve.

Both Carolyn and I had checkups with our respective doctors during the month of May (neurologist and nephrologist). Both of us "passed inspection" with only a few changes that we have to make in diet and medication. We are looking forward with anticipation to the four weeks of summer camps starting on July 9th and finishing up the last week of August. Please pray with us as we try to get things up and running. Some good, dry weather would really be a help right now! We are expecting as usual God's special blessings upon the camp ministry. Thank you for YOUR help.
