"A life spent on others is a life well-spent."

1978-2018

Dear Pastor & Friends:

Greetings in the Name of Our Lord.

Another year has come and gone and we are praising the Lord it was full of blessings.

We have seen the Lord bless three youth camps at Camp Victory and several overnight retreats. Some have been saved and many others have dedicated their lives to serving the Lord full time.

Our paper work is almost complete for the first ever Baptist Cemetery at the end of our property at Camp Victory. Not an easy task to be buried here if you are not a Catholic or if you do not have a lot of money to pay for private cemeteries.

We have three more foreign missionaries out raising money to get to their various fields God has called them. We have many interns and Bible College students preparing to serve the Lord here and around the world.

Our Faith Promise Missions program is reaching the goal that was set and each month some new people are getting involved in missions. The concern over souls is growing and large crowds are coming out each Thursday night and once a month at family visitation. Normally there are more than 100 attending family visitation. Every service we are seeing first time visitors. This coming Sunday we will baptize another one of the parents of our academy students who has come to know the Lord.

Sunday mornings and Sunday nights our building is full and for sure this is exciting to see. We just held our Christmas Cantata at Robinsons North Mall and hundreds of people heard the Gospel. I think there were close to 400 here in our church Sunday night during the Cantata.

My wife and I have moved into our new house. It is such a blessing to know that probably we will never move again and in the next 21 months we will not be paying rent anymore. Thanks to all who helped us with that project. We still have a balance to pay on that so if anyone would still be interested in helping that would be a big blessing.

We are thanking the Lord that after more than 13 years of finding out my wife has Parkinsons she is still going strong for the Lord. Please pray I would have wisdom about my back. I am still having some very bad spasms even after 15 months since the surgery.

Thanks to each of you who have been our partners for so many years. It is our plan to continue to serve Him here until He calls us home. We love each of you and appreciate you all so much.
