"A life spent on others is a life well-spent."

1978-2018

Dear Pastor & Friends:

Two weeks ago we completed our first week of camp at Camp Victory. It was our young adults camp. Heaven came down, and for sure glory filled many souls. We hosted a fine group of young adults that came looking for God's will in their lives. The Spirit in all services was great and the Lord did His work in the hearts of many who attended. I am not sure just how many came to know Christ. One young lady that professed to be saved has been in all the services of our church since camp and has expressed a desire to attend Bible College this next year! Please pray for next week when we host young peoples camp.

After this week of camp we will send one of our Bible College graduates back to Eastern Samar to work with his Pastor there. Once he has gotten some practical experience there he will start raising money to head to Taiwan as a missionary. We praise the Lord for the many who are now in practical training to head out to other parts of the world to preach the Gospel.

The ladies of the church surprised my wife with a birthday party this past February and gave her a very nice necklace. A great big thank you to the great ladies of our church. I also was surprised with snacks after the evening service and many different cakes which were all very very good.

Our family visitation once a month has really been a great blessing in the ministry here. More than 100 have been attending and entire families are going out to share the Gospel in all areas of our city. We now have some that have been baptized, some Bible studies have been started and others are attending services showing some good interest in the Gospel.

I have already gotten a permit for the house we want to build. We are still lacking around \$10,000 and any help toward this would be much appreciated.

My wife and I are trying to stay active by riding around 6 miles on our bikes each morning. We pray each day that the Lord will allow us to continue serving Him until He comes for us or we go to be with Him.

We have several young people showing interest in attending Bible College this coming year. We are really excited about that and the training of more young people to reach the world with the Gospel.

We are working hard on improving our visitation program and the follow up in discipling those who get saved. Our people have a vision for soul winning, and God is blessing that effort for sure.

As always thanks so much for your part in our lives and the ministry here in the Philippines and now around the world. You now have grandchildren in the faith going around the world with the Gospel as a result of your investment here. We love and appreciate each of you.
