

### **Mission Statement of the Christian Arts Ministry**

It is the mission of the Christian Arts Ministry to advance the work of the Chapel on the Hill through plays, music, dance and oratory.

We'll bring Christ's message to all who attend our performances or participate in our functions.

By our example, we'll demonstrate the love of Christ to everyone with whom we have contact.

### **Who are we?**

We are an outreach ministry of Chapel on the Hill

### **What do we do?**

- We strive to spread the Good News and bring souls to Christ through our performances and events
- We work to strengthen a sense of Christian community in Walworth County among youth and adults
- We invite all audiences and participants to worship at Chapel on the Hill
- We reach out to believers and not-yet-believers alike
- For the community, we serve as a front door to Chapel on the Hill, not only due to the location, but also because of the outreach efforts of the ministry.
- We provide opportunities each year for youth participation, including productions and summer camps

### **How do we hope to grow?**

- **Increase our audience**  
*We strive to spread the word to the wider community of our events and productions.*
- **Increase our participants**  
*We strive to bring in a larger group of actors, artists, technicians, and volunteers to further support and multiply the fruits of this ministry.*
- **Increase the use of the building**  
*We endeavor to make greater use of the building to not only possibly increase income, but also increase the word of mouth of the ministry, campus, and Chapel on the Hill!*

### **What is our vision?**

To be the center for Christian arts in Walworth County
