Payments and Fees:

- Tuition is paid-in-full or on a monthly basis through FACTS as permitted below. Should a student withdraw, *tuition* refunds are given for the months the student was not in school. All other fees are non-refundable with full payment due at time of withdrawal. Payments not made on time will be assessed a \$30 late fee and an additional FACTS late payment fee.
- Accounts may be paid by several means:
 - Paid-in-full:** If the registration, tuition, extended care, supply, and facility fees are paid in full by August 1, the family receives a 3% discount off the *tuition*. Families registering after August receive the discount if full payment is made at acceptance.
 - 10-month installment plan:** Families choose whether to make payments by the 1st or the 10th of each month, beginning in August. Enrollment with FACTS is required.
 - 11-month installment plan (returning families only):** Families choose whether to make payments by the 1st or the 10th of each month, beginning in July. Enrollment with FACTS is required.
 - Students entering BCS before October 1 are assessed the full year's tuition.
- Family account balances must be current. An account more than one month in arrears disqualifies the student(s) from returning to school until the account becomes current.
- Late payments are assessed a \$30 fee by BCS. FACTS also charges a transaction fee. Please pay on time!
